Outdoor & Adventure

- 1. Go on a walk locally and make a poster of any wildlife and birds that you spot.
- 2. Take part in 2 virtual Nights Away experiences.
- 3. Take part in your own mini Highland games.
- 4. Look at a map of your local area and mark the route from your home to your scout group. Also highlight your school, local parks and any other places which are important to you.
- 5. Learn a Scottish dance.

Skills

- 1. Cook and serve a simple traditional Scottish meal *e.g. mince, neeps and tatties, Scotch Broth, oatcakes & Crowdie etc.*
- 2. Bake a traditional Scottish teatime treat *e.g. shortbread, scones, etc.*
- 3. Perform a Scottish Song. This could be by singing or playing an instrument.
- 4. Learn some simple phrases in Gaelic
- 5. Keep a diary for a week of what food and drinks you have. Highlight which foods are Scottish and those which you think are healthy.

World

- 1. Take part in an international Scouting event *e.g. JOTA, JOTI*
- 2. Create a link with a Cub(s) from a different country
- 3. Make a bird feeder or bug hotel using recycling or natural materials and place it outdoors in your garden or elsewhere in your local community
- 4. Find out about your local area and what it was like in the past. You could research on the internet or interview an older resident by telephone or using facetime. Create a presentation and share it with others.
- 5. Write a poem inspired by Scotland. This can be in any style you choose.

Top tips! If you haven't finished your challenges, you can carry on and complete them in your first term as a Scout. Please note that any of these badge requirements can be done in conjunction with the UK badge programme.
