

Beavers 101: A Summer of Fun

Even though Beavers isn't running the way it usually does at the moment, we can still do loads of the fun, exciting, interesting activities we would normally do and continue to learn new Scouting skills.

We're setting every Beaver Scout across Scotland a massive challenge – to complete as many different activities as you can from our list of 101. There are three different levels for you to aim for;

Bronze; Complete at least **50** different activities.

Silver; Complete at least **75** different activities.

Gold; Complete all **101** different activities.

The first 20 activities are here now, ready for you to get started on, and we'll release another 20 every week for the next four weeks.

You can do them in any order you like. You could do a couple every day, or you could do as many as you can during the time of the week when you'd normally be at Beavers – it's completely up to you. You don't have to complete one week's activities before starting the next – you could even save them up if you're really busy and do them all in a few weeks' time

There are some activities that you will need an adult to help you with, and some that you can do by yourself, but make sure an adult knows what you are doing at all times. Lots of these activities will also count towards your usual Beaver badges, so if you tell your Leader you're completing them, there may be some badges waiting for you when Beavers starts up again.

Be sure to take loads of photographs while completing these activities and please ask an adult to share these with us on Twitter at @ScoutsScotland and @Owen_C_Forrest using the hashtag #Beavers101. We'll also be putting some videos and helpful hints and tips up on Twitter every week, so be sure to ask an adult to keep an eye out for these!

You could share these activities with your friends and family as well, even if they're not in Beavers. Show them how much fun being a Beaver Scout can be!

Good luck, and have fun!
