

Dear Cubs,

We'd love to be sending you a postcard from Summer Camp, but until we can get back to face to face Scouting, we'd like to give you some summer challenges for fun instead. Maybe you could do them on your normal meeting night?

- Make a card and send it to someone you've missed seeing, telling them what you've missed and what you're looking forward to.
- Keep a diary for a week of what food and drinks you have. Highlight which foods are Scottish and those which you think are healthy.
- Learn 3 new knots.
- Invent a new game for your Pack to try that's played outside and keeps everyone 2m apart at all times.
- Write a new campfire song for your Pack to try.
- Design the front of this postcard with the theme of friendship in the box below!

Really hope to see you all soon!

From all of your Leaders
