

Dear Explorers,

We'd love to be sending you a postcard from Summer Camp, but until we can get back to face to face Scouting, we'd like to give you some summer challenges for fun instead. Maybe you could do them on your normal meeting night?

- Make something practical, useful or fun from household recycling/waste
- Do a litter pick on a local walk
- Bake a loaf from scratch
- Build a structure with moving parts like a mini trebuchet using pens/pencils and string/shoelaces.
- Design a new emoji.
- Design the front of this postcard with the theme of 'wellbeing' in the box below!

Really hope to see you all soon!

From all of your Leaders
