

Dear Networkers,

We'd love to be sending you a postcard from Summer Camp, but until we can get back to face to face Scouting, we'd like to give you some summer challenges for fun instead. Maybe you could do them on your normal meeting night?

- Sleep out under the stars.
- Bake a loaf of bread from scratch.
- Write a poem or song with a scouting theme.
- Sketch your favourite Munro scene.
- Cook breakfast, lunch and dinner on a camping stove.
- Design the front of this postcard with the theme of 'mindfulness' in the box below!

Really hope to see you all soon!

From all of your Leaders
